

Dr Dan Steinbock and Difference Group Ltd

Dr Dan Steinbock is an internationally recognized expert of the multipolar world. He focuses on international business, international relations, investment and risk among the major advanced economies and large emerging economies; as well as multipolar trends in stocks, bonds, currencies, and commodities. He is founder of global consultancy DifferenceGroup (www.differencegroup.net).

In addition to advisory activities, he has served in India China and America Institute (US), Shanghai Institutes for International Studies (China) and EU Center (Singapore). As a Senior Fulbright scholar, he has been affiliated with Stern School of Business/New York University, Columbia Graduate School of Business and has cooperated with Harvard Business School (Michael E. Porter) and the Information Technology and Innovation Foundation (US).

Dr Steinbock has served on media advisory boards (incl. Fortune, Bloomberg BusinessWeek, McKinsey, 1to1 Media). He has consulted for the OECD, the European Commission, the Nordic Council and European government agencies, multinationals and SMEs, financial intermediaries and pension funds, international relations think-tanks, competitiveness and innovation organizations, and so on.

His commentaries and interviews have been released by almost 250 media outlets in all world regions, including all major economic, market, political, strategic and global media in the major advanced economies (G7) and the largest emerging economies (BRICs).
